# REIMAGINGING TRANSPORTATION

## Charlotte Convention Center | Charlotte, NC

December 7-10, 2021

Conference: December 7-10 | Expo Hall: December 8-10

ITS America Annual Meeting is a meeting place for our community of intelligent transportation professionals to network, connect and form the partnerships this environment requires. This event will bring together the entire intelligent transportation community for (4) days of thought-provoking education, networking, technical tours and demonstrations exploring products, emerging technologies and solutions that will enable a better future transformed by intelligent mobility. Join other transportation leaders and influencers as we discuss and explore the deployment of intelligent transportation technologies that saves lives, improves mobility, promotes sustainability, and increases efficiency and productivity – **“Reimagining Transportation.”**
