EMERGENCY RESPONSE DAY | TUESDAY, SEPTEMBER 20

Emergency Response Day returns to ITS World Congress this year on Tuesday, September 20. On a crucial mission to increase the personal safety of responders and motorists while restoring mobility for an emergency, commercial, and personal traffic, this year's Emergency Response Day will focus on emerging technology-based problems and solutions responders will face in evolving smart city infrastructure environment.

Law enforcement, fire/rescue, towing/recovery, EMS, EMA, public safety communicators, and safety service patrol are all welcome to register **FREE** of charge for ITS World Congress 2022 to attend Emergency Response Day.

Emergency Response Day programming includes:

- Equipment, vehicle, and technology demonstrations and displays
- Education sessions
- Responder training updates
- And more
