

2025

## ITS WORLD CONGRESS

Conference: August 24-28, 2025

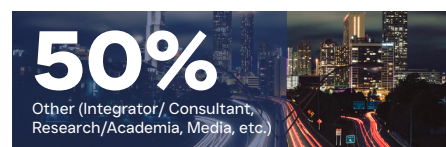

Exhibit Hall: August 25-28, 2025

Georgia World Congress Center

## CONNECTING THE INTELLIGENT TRANSPORTATION AND FUTURE MOBILITY COMMUNITIES

ITS World Congress 2025, taking place August 24 – 28 (Conference: August 24 – 28 | Exhibit Hall: August 25 – 28) in Atlanta, Georgia is the global event that brings together world leaders, practitioners, policy makers, researchers, and private industry to advance and unite the intelligent transportation systems (ITS) industry.

### INDUSTRY REPRESENTATION

### WHO ATTENDS?

### OUR AUDIENCE COMES FROM AROUND THE WORLD

Where our audience comes from

Top Countries in attendance outside of the U.S.

- Japan
- South Korea
- Canada
- Norway
- Taiwan

54

countries, regions, and territories

“

“ITS World Congress brings together academics, public sector, and private sector resources all in one place. You get an international review of the progress deploying technology to make the transport system safer, more efficient, and sustainable.”

– Leader, State and Local Government Transportation, Amazon Web Services

# WHY ATLANTA, GEORGIA?

- #1 Metro Tech Hub.
- #1 World's Most Efficient Airport (18th consecutive year).
- More MARTA Atlanta Program - **\$2.7 billion** investment for system improvements and new light rail, streetcar, and bus projects.

- Plans to develop transportation infrastructure to increase access to **350,000** jobs throughout Atlanta, provide a projected **61%** greater access to transit for communities with large minority or low-income populations, and connect to **77** medical facilities, **83** grocery stores, and **115** schools.
- **167.2k** transportation industry jobs in 2018 (a **16.7%** increase from 2008).
- **30.1%** of energy consumed was by the transportation sector (**844.3** trillion Btu in 2017).

"Nowhere else can you get everything at your fingertips. Newest technology, networking, tours, professional seminars, and training. One location!"

- Traffic & Safety Engineer, Iowa DOT
